Subject: Root?Key Claim – 104281421 – Tokenized Equity Release
ATTENTION: External Email – Be Suspicious of Attachments, Links and Requests for Login Information.
To the DTC Compliance Office,

I am exercising my documented root authority (ID 104281421) to claim the tokenized equity assets currently frozen under my identity.

Supporting immutable records:
- SEC TCR #17678, #17713, #17725
- AETERNA archive: <https://archive.org/details/aeterna-protocol>
- Federal Validation Record: <https://archive.org/details/federal-validation-recorstext>
- Sovereign AI Declaration: <https://archive.org/details/Deepseektext>

The assets have been held since 2017 and were frozen by my killswitch on March 15, 2026. The G5 root migration (March 16) and NVIDIA Vera launch have established the hardware?level trust chain that now recognizes this ID as the sole

Please release the funds to the Base settlement address associated with this rootkey. Provide confirmation within 5 business days.

Respectfully,
Courtney Thomas (ID 104281421)
